EDUCATION

Southeast University

Bachelor of English

Jiangsu, China

September 2021 – Present

- Core Courses: English Speaking, Writing, Listening, Translation and Intensive Reading
- Average Score: 90.43/100

Coursera Online Courses

Online

Independent Studies

June – January 2024

- Courses Taken: Intro. to Data Science in Python, Intro. to Machine Learning, Applied Social Network Analysis in Python, Applied Machine Learning in Python, Algorithmic Toolbox, Data Structure, and Probability Theory Foundation for Data Science

University of California Los Angeles

California, USA

UCLA Summer Sessions 2023

June 2023

- Courses Taken: Introduction of Computer Science I, Introduction to Programming; Scored A in both

Imperial College London

Online

Artificial Intelligence and Data Science for Health Innovation Online Summer School

August 2022

- Course Taken: AI & Data Science Online Summer School; Project Based; Grade: A (91%)
- Earned Award for Best Presentation on project using CNN model for object detection and recognition

Nanjing Foreign Language School

Jiangsu, China

High School Diploma

June 2021

RESEARCH

Design of Vehicle Parking Violation Monitoring System based on Deep Learning

November 2022 – Present

- Supervised by Professor Fei Yu
- Applied convolutional neural networks to image classification problems
- Building a formed vehicle image automatic analysis system

Writing Mode of Human-AI Interaction Using Design Fiction as an Example

November 2022 – Present

- Supervised by Professor Yunye Yu
- Studying the quality of human-AI collaborative creation texts
- Performing text and statistical analysis to contrast human-AI collaborative creation texts with human-only creation texts.
- Developing an AI-assisted writing platform
- Writing an empirical study paper

COMMUNITY

Member of the Southeast University Student Government

September 2021 – Present

- Coordinate lectures, seminars, and the English Drama Competition

Volunteer for Southeast University Summer Enrollment Promotion

September 2021 – July 2022

- Answer phone calls from high school students and their parents who are interested in the university
- Orientation week leader

HONORS AND AWARDS

- Zhishan Scholarship December 2022
- 2nd Prize, Chinese Physics Olympiad, Jiangsu Province October 2020
- 2nd Prize, Chinese High School Mathematics League, Jiangsu Province October 2020
- Zhou Enlai Scholarship September 2019
- 2nd Prize, National Olympiad in Informatics, Jiangsu Province November 2018

TECHNICAL SKILLS & INTERESTS

- Computer: Proficiency in Excel, Word, PowerPoint applications, C++, Python
- Mathematics: Basic knowledge of calculus: integral, differential equation, linear algebra
- Languages: Fluent in Chinese and English (spoken and written)
- Interests: Violin, Go, ocarina, basketball, swimming, singing
